Nanih Oba University, the newly unveiled academic and spiritual body of the **International American Republic**, is now live. Rooted in ancestral law, divine edification, and self-determined governance, the university presents a comprehensive public framework for sovereign living.

Key Highlights:

- Launch of a fully accessible [sovereign website](#)
- Seven law and ethics departments, including Indigenous Law, International Treaty Deciphering, and Spiritual Science
- Downloadable codified law [booklet \(PDF\)](#)
- Donation and enrollment portals for aligned individuals

Quote from the Founders:

"We stand to reclaim spiritual sovereignty through lawful declaration and ancestral intelligence. Nanih Oba is not a school — it's a scroll unsealed."
